

## **Centenary Golf Club Reciprocals 2011**

Betchworth Park Golf Club has agreed to some reciprocal arrangements with other golf clubs around the UK who are also celebrating their Centenary in 2011. The arrangements are different for each club and are subject to availability. We would ask you to contact Andy Tocher and his Team to arrange golf at any of the following clubs and vice versa the Centenary golf clubs will arrange any visits through Andy. We hope you can take advantage of playing these courses. We will feature any other arrangements with other Centenary Golf Clubs should we have news.
